Re: NC GreenPower Board Nomination (Docket No. E-100, Sub 90)

Dear Mrs. Mount:

I am writing to nominate my colleague, Mrs. Andrea Braswell, for consideration for appointment to the NC GreenPower Board of Directors. In accordance with the North Carolina Utilities Commission June 13, 2016 order, I provide the following information:

(a) Name and Contact Information:

Andrea P. Braswell
Office Address: 4800 Six Forks Road, Suite 300, Raleigh, NC 27609
Office Telephone: 919.832.7601 ext. 106
Office Email: andrea@energync.org
Home Address: 316 Williamsburg Drive, Creedmoor, NC 27522
Home Telephone: 336.504.6333
Home Email: andreadpulliam@gmail.com

(b) Board Position Sought:

Consumer/Environmental Advocacy or, in the alternative, Green Power Technology (Unspecified Technology)

(c) Statement of Qualifications or Resume

Mrs. Braswell serves as the Inclusion Program Manager at the North Carolina Sustainable Energy Association ("NCSEA"), where she leads the organization's Inclusiveness Initiative. In this role, she works to ensure that all of NCSEA's existing and future projects are aligned with the organization's inclusion goals. NCSEA's Inclusiveness Initiative aims to increase the organization's outreach and presence in historically excluded communities and to educate participants in the clean energy economy on the importance of inclusiveness. Beyond her role leading NCSEA's Inclusiveness Initiative, Mrs. Braswell's work involves assisting NCSEA's Executive Director in numerous manners, including supporting policy research and analysis, coordinating management meetings and action items, corresponding with NCSEA's members and other stakeholders, and many other mission-critical activities.

NC SUSTAINABLE ENERGY ASSOCIATION

Mrs. Braswell is a graduate of Meredith College in Raleigh, where she majored in environmental sustainability. While attending Meredith, she completed an internship with the U.S. Green Building Council's Triangle Branch and spent spring break volunteering with the N.C. Coastal Federation on an oyster reef restoration project. Mrs. Braswell was also active in Meredith's Angels for the Environment, which promoted sustainability on campus by conducting trash audits, hosting educational events, and promoting recycling.

Mrs. Braswell's resume is attached.

Thank you for your consideration of my nomination.

Sincerely,

Peter H. Ledford
