## BEFORE THE NORTH CAROLINA UTILITIES COMMISSION RALEIGH

#### DOCKET NO. E-7, SUB 1146

In the Matter of:	)
Application by Duke Energy Carolinas, LLC,	)
For adjustment of Rates and Charges	)
Applicable to Electric Utility Service	)
In North Carolina	)
	)

# <u>PETITION TO INTERVENE BY RATE-PAYING NEIGHBORS OF</u> DUKE ENERGY CAROLINAS, LLC'S COAL ASH SITES

Pursuant to North Carolina Utilities Commission ("Commission") Rules R1-5, R1-7 and R1-19, Amy Brown and Deborah Graham, as rate-paying customers of Duke Energy Carolinas, LLC ("DE Carolinas" or the "Company"), and as individuals who reside within a half-mile of DE Carolinas coal ash sites (the "Rate-Paying Neighbors"), through counsel, on their own behalf and on behalf of the other similarly-situated neighbors including those listed in Exhibit 1 who support this petition, hereby request leave from the Commission to intervene and participate in this proceeding. In support, the Rate-Paying Neighbors state as follows:

- On July 25, 2017, DE Carolinas filed a notice with the Commission
   pursuant to R1-17(a) of its intent to file a general rate application on or about August 25,
   2017.
- 2. On or about August 25, 2017, DE Carolinas is expected to file an application with the Commission requesting authority to adjust and increase its retail electric rates and charges.<sup>1</sup>

<sup>&</sup>lt;sup>1</sup> A similar application was filed by Duke Energy Progress, LLC at Docket No. E-2, Sub 1142 on June 1, 2017.

- 3. In its application, DE Carolinas is expected to detail what it will claim to be costs of its efforts to comply with recently adopted federal and state rules regarding the handling of coal ash and closure of coal ash basins. The Company is expected to request that a significant part of its requested rate increase will be intended to recover ash basin closure compliance costs it has incurred.
- 4. The Rate-Paying Neighbors have a direct stake in the issues presented by the application which DE Carolinas has notified the Commission that it intends to file and that will request authority to increase the utility's rates and charges for retail electric service in North Carolina.
- 5. Specifically, the proposed intervenors are each consumer retail utility customers of DE Carolinas, <u>as well as</u> being homeowners who reside less than half a mile from the coal ash waste sites owned and operated by the Company. Unlike other rate paying consumers, they have suffered stigma, loss of property value, nuisance and other injury and loss due to the Company's mismanagement of its coal ash. The other individuals listed on Exhibit 1 are similarly situated and support the named proposed intervenors.
- 6. The Rate-Paying Neighbors are doubly burdened: not only have they been injured by the Company's improper management of its coal ash waste, but they also would be subjected to the rate increase which DE Carolinas seeks to pass along in part precisely as a result of its coal ash liability.
- 7. The Rate-Paying Neighbors should be allowed to intervene and be heard on the issues before this Commission. Because of their status as community members who have long been affected by the coal ash issues, they have information to bear on the

relevant issues which may assist the Commission in determining whether rates should allow for recovery of coal ash related costs.

- 8. The proposed intervenors note that as befitting a matter of this magnitude, the Commission has already allowed one or more other stakeholder groups to intervene.<sup>2</sup> The current petitioners are uniquely situated and their interests will not necessarily be wholly protected by the existing intervenors.
- 9. Pursuant to Rule R1-5(b)(1) and R1-19(a)(1), the identities of the proposed intervenors are as follows:
  - a. Amy Brown resides at 103 Mitchell Street, Belmont, North Carolina in Gaston County. She is a Duke Energy Carolinas power customer and lives in the vicinity of the Allen plant.
  - b. Deborah Graham resides at 310 Dukeville Road, Salisbury, North Carolina in Rowan County. She is a Duke Energy Carolinas power customer and lives in the vicinity of the Buck plant.
  - c. Additional individuals who, upon information and belief, are Duke Energy Carolinas customers and who live near its plants, are listed in full in Exhibit 1. In order to facilitate the handling of this petition, they are not listed as additional petitioners but rather as fellow community members who support the two named petitioners.
- 10. Pursuant to Rule R1-5(b)(1), the above listed individuals are represented through the below-signed counsel; to whom all correspondence and filings in this docket should be addressed:

Mona Lisa Wallace, NCSB 9021 John Hughes, NCSB 22126 Marlowe Rary, NCSB 49480 WALLACE & GRAHAM, P.A. 525 N. Main St. Salisbury, NC 28144 (704) 633-5244 Telephone

<sup>&</sup>lt;sup>2</sup> See Order granting petition to intervene of the North Carolina Sustainable Energy Association dated August 7, 2017.

The above counsel, pursuant to Commission Rule R1-39, agree to electronic service of all pleadings and other filings in this matter.

WHEREFORE, Amy Brown and Deborah Graham and herein listed Rate Paying Neighbors, through counsel, hereby petition to intervene and participate in the above-captioned proceeding.

Respectfully submitted, this the 23rd day of August, 2017.
