DOCKET NO. E-100, SUB 157

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of) ORDER GRANTING EXTENSION
2018 Integrated Resource Plan Reports and) OF TIME TO FILE REPLY
Related 2018 REPS Compliance Plans) COMMENTS

BY THE CHAIRMAN: On February 8, 2019, the Commission issued an Order Granting Second Extension of Time in the above-captioned docket. The order extended the date for parties to file comments on the 2018 integrated resource plans (IRPs) of Duke Energy Carolinas, LLC, and Duke Energy Progress, LLC (collectively, Duke) to March 7, 2019, and extended the date for parties to file reply comments to May 6, 2019.

On April 29, 2019, Duke filed a motion requesting that the date for reply comments on Duke's IRPs be extended to May 20, 2019. In summary, Duke stated that it sent four sets of data requests to Southern Alliance for Clean Energy, Sierra Club and Natural Resources Defense Council (collectively, SACE) on April 8, April 9 and April 10, 2019, with responses due by April 20. Duke stated that SACE has provided partial responses to its data requests, and that counsel for SACE has indicated that they are working diligently to complete their responses, but that it may be later this week before their responses are complete. Duke further stated that it contacted counsel for all parties regarding its motion, and, although not all counsel have responded, no counsel for any party has indicated an objection to Duke's motion.

Based on Duke's motion and the record, the Chairman finds good cause to extend the date for parties to file reply comments on Duke's IRPs to May 20, 2019.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 1st day of May, 2019.
