) MEMBERS TO NC GREENPOWER
) BOARD OF DIRECTORS

BY THE COMMISSION: By letter dated October 10, 2018, NC GreenPower (NCGP) requested that the Commission accept nominations for two Director seats for the NCGP Board of Directors (Board seats) with terms expiring on September 30, 2018. The two seats are one Solar/Wind Technology Representative seat and one Consumer/Environmental Advocacy seat.

On August 31, 2018, the Commission issued an order allowing individuals to nominate themselves or others to be considered for appointment to the two Board seats through September 17, 2018. In response to this order, the Commission received nominations for two individuals. On October 10, 2018, NCGP's Nominating Committee filed a letter with its recommendations.

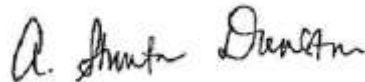

With respect to the two Board seats, the Commission continues to be impressed with the quality of the nominations received. After careful consideration of the nominees and their qualifications, the Commission finds good cause to appoint Chris Larsen to the Green Power Technology (Solar/Wind) seat that will expire on September 30, 2021, and Beth Ritter to the Environmental/Consumer Advocate seat which will expire on September 30, 2021.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 29th day of October, 2018.
