BY THE CHAIRMAN: On January 26, 2018, the Commission issued an Order Establishing Proceeding to Review Proposed Green Source Rider Advantage Program and Rider GSA, filed by Duke Energy Progress, LLC, and Duke Energy Carolinas, LLC (collectively Duke). The Order, among other things, requested that the parties file reply comments on or before March 16, 2018, regarding the proposed program or responding to initial comments received.

On March 9, 2018, the Public Staff and Duke filed a joint motion for a two-week extension of time until April 6, 2018, for the filing of reply comments. The Commission granted the request by Order dated March 13, 2018.

On April 4, 2018, the Public Staff filed a motion for an additional two-week extension of time for the filing of reply comments. The Public Staff states that the parties are working diligently on this matter, but that additional time is needed "for potential further discussions between the parties to take place." In addition, the Public Staff states that it has contacted counsel for parties to this proceeding, and that "no party responded with objections to the proposed extension."

Based upon the Public Staff's motion and the record herein, the Chairman finds good cause to extend the date for all parties to file reply comments to April 20, 2018.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 5th day of April, 2018.
