In the Matter of			
NC GreenPower	,)))	ORDER ACCEPTING NOMINATIONS FOR NC GREENPOWER BOARD OF DIRECTORS AND CLARIFYING TERM

BY THE COMMISSION: The terms of the following two members of the NC GreenPower (NCGP) Board of Directors expire on September 30, 2018:

Chris Larsen Beth Ritter Green Power Technology (Solar/Wind) seat Consumer/Environmental Advocacy seat

WHEREUPON, the Commission finds good cause to begin accepting nominations to fill these seats on the NCGP Board. Current Board members may be nominated for reappointment by providing the required information by the date due. The Commission remains interested in increasing the racial and gender diversity of the Board and encourages nominations that will promote this effort. Further, it has come to the Commission's attention that the wrong date was stated for the term of three seats in its September 19, 2017 order; and the Commission clarifies that the term expires on September 30, 2020, not 2019, for these three seats currently held by Jamie Applequist, Jeffrey Hughes, and Ward Lenz.

IT IS, THEREFORE, ORDERED as follows:

1. That interested persons may nominate themselves or others to be considered for (re)appointment to the NCGP Board of Directors by providing the following

The Chairman, therefore, finds good cause to issue this Errata Order correcting that omission.

·IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 1st day of October, 2018.
