in North Carolina)	

BY THE PRESIDING COMMISSIONER: On April 16, 2020, in Docket No. M-100, Sub 158 the Commission suspended pending further order the provisions of Commission Rules R1-5(g), R1-28, and any other rules requiring persons electronically filing certain documents with the Commission to additionally provide the Chief Clerk's Office with paper copies of such filings (Suspension Order).

Consistent with Governor Roy Cooper's May 20, 2020 Phase 2 Order easing "stay at home" restrictions, Executive Order No. 141, access to the Chief Clerk's Office is now available by appointment, and the Presiding Commissioner finds good cause to require the filing of paper copies in this docket in light of the upcoming June 23 expert witness hearing.

This Order does not alter or affect the Suspension Order as it applies to any other dockets pending before the Commission.

IT IS, THEREFORE, ORDERED as follows:

1. That the Suspension Order is hereby superseded by this Order only for this rate case proceeding, Docket No. W-218, Sub 526;
2. That all parties to this docket are hereby required to provide to the Chief Clerk's Office as soon as possible, but not later than June 16, 2020, paper copies of any and all documents, not previously filed, that would have been required to be filed in this docket pursuant to Commission Rules R1-5(g), R1-28, and any other rules requiring persons electronically filing certain documents with the Commission to additionally provide the Chief Clerk's Office with paper copies of such filings; and
3. That the Chief Clerk will contact each party to this docket to arrange a time for delivery of all required paper filings, and that each party will strive to deliver to the

Chief Clerk all required paper filings at one time to avoid the need for additional delivery appointments to the greatest extent possible.

ISSUED BY ORDER OF THE COMMISSION.

This the 11th day of June, 2020.
