Re: Oak Solar, LLC's Amended Application For Certificate Of Public  
Convenience and Necessity – Merchant Plant  
Docket No. EMP-112, Sub 0  
Our File: 054943.09013

Dear Ms. Campbell:

The Public Staff filed the confidential direct testimony of Jay Lucas in this docket on March 23, 2021. In that direct testimony Mr. Lucas, on behalf of the Public Staff, recommends that the Commission grant the Applicant, Oak Solar, LLC ("Oak Solar"), the requested Certificate of Public Convenience and Necessity ("CPCN") to construct the proposed merchant plant, subject to certain conditions. See, **Direct Testimony of Jay Lucas**, March 23, 2021, pp. 8-9.

Oak Solar chose not to file testimony in rebuttal to the testimony of Mr. Lucas.

I am authorized to confirm for the record that Oak Solar would not object to the issuance of the requested CPCN, subject to the conditions recommended in the aforesaid direct testimony of Mr. Lucas.

I remain,

Very truly yours,

Joseph W. Eason
