DOCKET NO. E-100, SUB 137

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of)

) FILE 2013 INTEGRATED
) RESOURCE PLAN UPDATES
) AND REPS COMPLIANCE
) PLANS

NOW COME Duke Energy Carolinas, LLC ("DEC") and Duke Energy Progress, Inc. ("DEP") (collectively "the Companies") pursuant to Commission Rule R1-7 and move the North Carolina Utilities Commission for an extension of time through and including October 1, 2013, to file the Companies' 2013 Integrated Resource Plan Updates and REPS Compliance Plans. In support of this motion, DEC and DEP show the Commission as follows:

1. Pursuant to Commission Rules R8-60(h) and R8-67(b)(2), the Companies' 2013 IRP Updates and REPS Compliance Plans are due to be filed by September 3, 2013¹.

2. For this year's IRP Updates, DEC and DEP are conducting additional modeling that should provide useful information for the Commission and others who are interested in the Companies' resource planning. It is taking more time than anticipated to incorporate this work into the IRP Updates.

¹ September 1, 2013, is a Sunday and Monday, September 2, 2013, is a legal holiday.

3. In addition, several of the Companies' employees who are supporting the development of the 2013 IRP Updates have been actively involved in supporting other matters, including the pending proceedings in Docket Nos. E-100, Sub 136 and E-7, Sub 1032, which have recently required their attention.

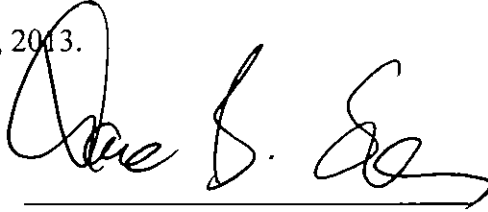

4. DEC and DEP contend that the benefits of the additional modeling should outweigh any potential harm caused by granting the Companies additional time to file their IRP Updates.

5. DEC and DEP submit that their requested extension of time will not prejudice the Commission or any party's ability to investigate DEC or DEP's 2013 IRP Updates or REPS Compliance Plans and is necessary to enable DEC and DEP to provide complete and accurate 2013 IRP Updates.

6. The undersigned counsel has notified all parties of record via electronic mail today about this proposed extension, and the following parties indicated that they have no objection to the proposed extension: the Public Staff, NCSEA, CIGFUR, CUCA, Rutherford EMC, NC WARN, EnergyUnited, the Attorney General's Office, GreenCo Solutions/NCEMC, SACE, the Sierra Club, Dominion North Carolina Power, MAREC, and Fayetteville PWC. The undersigned has not received a response from the remaining parties as of the time of preparing this joint motion for filing.

WHEREFORE, Duke Energy Carolinas and Duke Energy Progress respectfully request that the Commission grant their joint motion for extension of time through and including October 1, 2013, to file their 2013 IRP Updates and REPS Compliance Plans, and grant such further relief as the Commission deems just and proper.

This the 22nd day of August, 2013.
