## Statement of Position Submitted

### Name

Joe Walston

### Email

JRWalston@drhorton.com

### Docket

Docket No E-7 Sub 1155

### Message

I wish the decision to not expand the RNC program into Duke Energy Carolina jurisdiction would be revisited. DR Horton Charlotte was looking forward to implementing energy saving processes that we would all benefit from long-term and incentivizing builders to hit this energy saving criteria was going to be a very critical part of the success of the program. It pushes builders to focus on items they would not normally focus on and I personally think all parties would have benefitted greatly from the program.
