**RE: Duke Energy Carolinas, LLC and Duke Energy Progress, LLC's Notice of Update to Data Access Functionality
Docket Nos. E-100, Sub 157 and E-7, Sub 1146**

Dear Ms. Campbell:

I write to notify the Commission and parties of an update to the implementation date for Duke Energy Carolinas, LLC and Duke Energy Progress, LLC's (collectively, the "Companies") customer data access functionality similar to the access provided by Green Button: Download functionality. In filings made earlier in 2019 in the referenced matters, the Companies indicated their plans to provide this functionality by the end of 2019. The Companies' web platforms are being migrated to the cloud and upgraded for stability and scalability to support multiple efforts across the Duke Energy Corporation enterprise, with scheduled implementation in mid-December 2019. Accordingly, this enterprise web upgrade will delay implementation of the new data functionality until the first quarter of 2020.

As a reminder, DEC and DEP customers with smart meters are already able to view and download their electric usage data from the Companies' websites in a standardized format. These customers can view and download their hourly and daily electric usage information from the online customer portal and through mid-cycle notifications with the Usage Alerts program.

Thank you for your attention to this matter. If you have any questions, please let me know.

Sincerely,

Lawrence B. Somers

cc: Parties of Record
