### Docket

E7

### Message

I know that it is the seven-member N.C. Utilities Commission decision on when and how much Duke Energy can raise it's rates. As responsible citizens and doing there job to their upmost ability, I urge the N.C. Utilities Commission members to make Duke Energy pay for the entire cost of THEIR pollution and coal ash clean up. To decide other would be an injustice to all customers of Duke Energy. Thank you.
