

**STATE OF NORTH CAROLINA
UTILITIES COMMISSION
RALEIGH**

DOCKET NO. E-100, SUB 147

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of)	ORDER GRANTING SECOND
2016 Integrated Resource Plans and Related)	EXTENSION OF TIME TO
2016 REPS Compliance Plans)	FILE REPORT

BY THE CHAIRMAN: On February 1, 2018, the Commission issued an Order Granting Extension of Time to File Report in the above-captioned docket. The Order granted a motion by the Public Staff requesting that the date for the Public Staff, and Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (collectively, Duke), to file a report regarding Duke's reserve margin targets (reserve margin report) be extended from January 30, 2018, to February 16, 2018.

On February 16, 2018, the Public Staff filed a motion requesting that the date for the reserve margin report be extended to March 30, 2018. In support of its motion, the Public Staff states that Duke and the Public Staff have compiled a draft report and have identified points of disagreement. Further, the Public Staff states that given additional time the parties will be able to discuss their differences and perhaps refine the issues to be presented to the Commission. In addition, the Public Staff notes that the upcoming hearing in the pending rate case in Docket No. E-7, Sub 1146, and the attendant significant workload for the parties, justifies a significant extension of time. Finally, the Public Staff states that Duke does not object to the requested extension of time.

Based on the Public Staff's motion and the record, the Chairman finds good cause to grant this second extension of time allowing the Public Staff and Duke to file their reserve margin report on or before March 30, 2018.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 16th day of February, 2018.
