BY THE CHAIRMAN: On July 27, 2017, House Bill 589 (Session Law 2017-192) was enacted into law. Part III of House Bill 589, enacted as G.S. 62-159.2, requires each electric utility serving more than 150,000 North Carolina retail jurisdictional customers, as of January 1, 2017, to file with the Commission an application requesting approval of a new program to procure renewable energy resources on behalf of North Carolina's major military installations, the University of North Carolina system, and large nonresidential customers served by the offering utility.

On January 22, 2018, in Docket Nos. E-2, Sub 1170, and E-7, Sub 1169, Duke Energy Progress, LLC, and Duke Energy Carolinas, LLC (collectively Duke), jointly filed a proposed Green Source Rider advantage program and rider GSA, consistent with the requirements of Section 3.(b) of House Bill 589.

The Chairman, therefore, finds good cause to initiate this proceeding to review Duke's proposed Green Source Rider advantage program and rider GSA. The Chairman invites interested persons to petition to intervene and to provide comments or suggestions to assist the Commission in its review of Duke's proposed Green Source Rider advantage program and rider GSA.

IT IS, THEREFORE, ORDERED as follows:

3. That the Public Staff and intervenors may file initial comments or suggestions, as provided herein, on or before February 23, 2018;

4. That all parties may file reply comments or suggestions, as provided herein, on or before March 16, 2018; and

5. That, upon receipt of the parties' initial and reply comments, the Commission will proceed appropriately in deciding whether to approve Duke's proposed Green Source Rider advantage program and rider GSA.
