BY THE CHAIRMAN: On February 23, 2018, the Commission issued an Order Accepting Stipulation, Deciding Contested Issues and Granting Partial Rate Increase (Rate Order) in the above-captioned dockets authorizing Duke Energy Progress, LLC (DEP) to adjust its rates and charges for retail electric service in North Carolina. In addition, the Rate Order approved DEP's application to implement a Job Retention Rider (JRR). Ordering Paragraph No. 25 directed DEP to file JRR compliance tariffs and a proposed bill insert or bill message prior to implementing the JRR.

On July 25, 2018, DEP filed its proposed JRR tariffs to be effective for service rendered on and after September 1, 2018, and a proposed bill message.

On August 2, 2018, the Public Staff filed a letter stating that it has reviewed the proposed tariffs and recommends that the Commission approve the tariffs.

Based on the foregoing and the record, the Chairman finds good cause to approve DEP's JRR tariffs and bill message

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 14th day of August, 2018.
