Re: In the Matter of: Application of Duke Energy Carolinas, LLC for Approval of Demand-Side Management and Energy Efficiency Cost Recovery Rider Pursuant to N.C. Gen. Stat. § 62-133.9 and Commission Rule R8-69
Docket No. E-7, Sub 1230

Dear Ms. Campbell:

I attach a Petition to Intervene for filing on behalf of the North Carolina Justice Center, the North Carolina Housing Coalition, and the Southern Alliance for Clean Energy in the above-referenced docket, and request that the Commission accept the petition for filing despite the absence of the verification required by Commission rules. Our office is closed due to the coronavirus pandemic and our staff, including paralegals with notary credentials, are working remotely in light of the social distancing protocols in the Governor's March 27, 2020 Stay at Home Order. A verification will be filed as soon as practicable and safe for our staff to execute the document in the presence of a notary public.

Please let me know if you have any questions about this filing.

Sincerely,

David Neal
