Dear Chief Clerk:

As requested by Commission Staff, enclosed for filing are proposed Certificates for Public Convenience and Necessity for the four hydroelectric facilities located in North Carolina that are the subject are the above-referenced dockets.

In addition to issuing these Certificates, we request the Commission accept the registration of those four facilities as New Renewable Energy Facilities, as well as the registration of the Gaston Shoals facility which is located in South Carolina.

Thank you for your assistance with this matter. Please let me know if you have any questions.

Sincerely,

/s/ Katherine E. Ross
