Duke power increase requests

Message

Please add this to the public comments regarding the rate hike discussion. I am unable to attend the public session. Thank you. As a 50 year resident of NC, I would like to voice my opposition to the more than 6% increase requested By Duke Power. These funds will be spent to clean up Duke power's Clean up of Coal ash. This storage has been a cost saver for the company for years, and that addition profit flowed directly to the stockholders of Duke Power. Now it is cleanup time. It is obscene to think that the customers of the power company will be forced to cleanup the mess created by this multi billion dollar corporation. I am a Duke Customer and a NC tax paying citizen- I OBJECT AND OPPOSE THE RATE HIKE. THANK YOU C. John Malzone Malzone Marketing, Inc. Southern Pines/Fayetteville 910-813-7378
