Re: Docket Numbers E-100, Sub 101; E-2, Sub 1159; and E-7, Sub 1156 – Volume 2  
Petition for Approval of Generator Interconnection Standard and Joint Petition  
of Duke Energy Carolinas, LLC, and Duke Energy Progress, LLC, for Approval of  
Competitive Procurement of Renewable Energy Program

---

In the above-mentioned docket and volume, page 324, line 5, the speaker identified is  
"Commissioner Beatty" which is incorrect. The correct speaker is "Chairman Finley".

I have attached a corrected page 324 for distribution.

Thank you.

Clerk's Office  
N.C. Utilities Commission

1 MR. JIRAK: Thank you, Mr. Riggins.

2 Mr. Chairman, that concludes the summaries,  
3 and the witnesses are available for questions from the  
4 Commission and other parties.

5 CHAIRMAN FINLEY: IREC, cross examination?

6 MS. BEATON: Yes. Thank you, Mr. Chairman.  
7 Can you hear me okay?

8 CHAIRMAN FINLEY: Yes.

9 MS. BEATON: Great. My name is Laura Beaton  
10 and as I mentioned earlier I represent the Interstate  
11 Renewable Energy Council or IREC. I'll start with  
12 questions intended for Mr. Gajda.

13 CROSS EXAMINATION BY MS. BEATON:

14 Q So hi, good morning -- or good afternoon.

15 A (Mr. Gajda) Good afternoon.

16 Q Mr. Gajda, in your direct testimony on pages 45  
17 through 46, you discuss the concept of Good  
18 Utility Practice, and do you agree that Good  
19 Utility Practice requires that Duke engage with  
20 other utilities or standards bodies regarding  
21 appropriate interconnection technical practices?

22 A Can you hear me okay? Great.

23 So I would agree that it is  
24 important for, in general for Good Utility
