to Construct a 752 Megawatt Natural Gas-Fueled)	CLIMATE TIMES
Electric Generation Facility in Buncombe County)	
Near the City of Asheville)	

NOW COME NC WARN and The Climate Times (“TCT”), by and through the undersigned attorney, with a response to the Commission chair’s inquiry at the hearing on June 17, 2016, on whether the intervening parties have available an expert witness to respond to the testimony of Duke Energy witness, Mr. Landseidel.

The intervening parties are conferring with a potential expert on Friday, June 24, 2016. This witness is presently out-of-town and is unavailable until then. With the Commission’s forbearance, the intervening parties will notify the Commission on Friday whether the witness is available to provide an affidavit or testify at a hearing, and if so, what dates are convenient.

Respectfully submitted, this the 22nd day of June 2016.
