to Construct a 120-MW Solar Facility in Bertie	)	TESTIMONY
County, North Carolina	)	

BY THE PRESIDING COMMISSIONER: On June 22, 2020, the Commission issued an Order Cancelling Expert Witness Hearing and Requiring Additional Testimony in the above captioned docket establishing a deadline of July 22, 2020 for Applicant's additional testimony and exhibits, a deadline of August 5, 2020 for the Public Staff's testimony, and a deadline of August 12, 2020, for the Applicant's rebuttal testimony.

On July 21, 2020, Sumac Solar, LLC (Sumac Solar or Applicant) filed a Motion for Extension of Time for the filing of its additional testimony and exhibits. In the motion, the Applicant also seeks an extension of deadlines for the testimony of the Public Staff, and rebuttal testimony. In support of its motion, the Applicant stated that while it has been working diligently to prepare testimony and exhibits, the complexity of the underlying issues related to the PJM interconnection process requires additional time beyond the time provided for in the Order. In addition, Sumac Solar stated that it had contacted Public Staff regarding its request for an extension of time, and that the Public Staff does not object to the request provided that other deadlines for testimony are similarly extended. Sumac Solar requests that the additional testimony and exhibits deadline be extended to August 12, 2020, the Public Staff and Intervenors' testimony and exhibits deadline be extended to August 26, 2020, and Applicant's rebuttal testimony and exhibits be extended to September 2, 2020.

Based on the Sumac Solar's motion and the record, the Presiding Commissioner finds good cause to extend the date filing additional testimony and exhibits to

August 12, 2020, the Public Staff and Intervenors' testimony and exhibits deadline to August 26, 2020, and Applicant's rebuttal testimony and exhibits to September 2, 2020.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 22nd day of July, 2020.
