STATE OF NORTH CAROLINA UTILITIES COMMISSION RALEIGH

DOCKET NO. E-100, SUB 137

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of
2013 Updated Integrated Resource Plans) ORDER GRANTING
and Related 2013 REPS Compliance Plans) EXTENSION OF TIME

BY THE PRESIDING COMMISSIONER: Pursuant to the requirements of Commission Rules R8-60(h) and R8-67(b)(2) the electric public utilities (IOUs) are required to file 2013 updated integrated resource plans (IRPs), and related 2013 Renewable Energy and Energy Efficiency Portfolio Standard (REPS) compliance plans on or before September 3, 2013.

On August 22, 2013, Duke Energy Carolinas, LLC and Duke Energy Progress, Inc. (Movants), filed a Motion for Extension of Time requesting that the Commission extend the due date for their IRPs and REPS compliance plans to October 1, 2013. In support of their motion, Movants state, among other things, that they are conducting additional modeling for their updated IRPs that is taking more time than anticipated. Further, several employees who are supporting the development of their IRPs have been involved in other Commission proceedings. Therefore, the Movants need additional time to prepare their IRPs. Finally, the Movants state that they notified all parties of record concerning their request for an extension of time. The Public Staff and numerous other parties stated that they do not object, and no party has objected to the extension of time.

Based upon the record and the Movants' motion, the Presiding Commissioner finds good cause to extend the date on which the IOUs shall file their 2013 updated IRPs and 2013 REPS compliance plans to October 1, 2013.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the <u>28th</u> day of August, 2013.

NORTH CAROLINA UTILITIES COMMISSION

Paige J. Morris, Deputy Clerk
