DOCKET NO. E-7, SUB 1195

In the Matter of
Application by Duke Energy Carolinas,)
LLC, and Duke Energy Progress, LLC) ORDER GRANTING
for Approval of Proposed Electric) EXTENSIONS OF TIME
Transportation Pilot)

BY THE CHAIR: On May 24, 2021, in compliance with a previous Commission order, Duke Energy Carolinas, LLC, and Duke Energy Progress, LLC (collectively Duke), filed a Request for Approval of Phase II Electric Transportation Pilot Programs (Phase II Pilots).

On June 14, 2021, the Commission issued an order requesting that parties file initial comments on Duke's proposed Phase II Pilots by July 15, 2021, and reply comments by August 5, 2021.

On July 7, 2021, North Carolina Justice Center, Southern Alliance for Clean Energy, and North Carolina Sustainable Energy Association (collectively Movants), filed a joint motion requesting that the dates for initial comments and reply comments be extended to July 29 and August 19, 2021, respectively. Movants stated that they have been working diligently to prepare their initial comments, but due to the press of business need additional time. Movants also stated that no party will be prejudiced by the requested extensions of time, that Movants contacted counsel for all parties of record regarding the requested extensions, and that no party has objected to the proposed extensions.

On July 8, 2021, in an email exchange between counsel for Duke and Commission Staff, counsel for Duke stated that Duke does not object to the requested extensions.
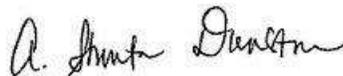

Based on the foregoing and the record in these dockets, the Chair finds good cause to extend the date for parties to file initial comments to July 29, 2021, and to extend the date for parties to file reply comments to August 19, 2021.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 8th day of July, 2021.
