On September 1, 2020, Duke Energy Carolinas, LLC, and Duke Energy Progress, LLC (collectively Duke), filed their 2020 Integrated Resource Plans, 2020 Renewable Energy and Energy Efficiency Portfolio Standard Compliance Plans, and Competitive Procurement of Renewable Energy Compliance Plans.

Pursuant to Commission Rule R8-60(k), within 150 days after September 1 or the filing of each utility's IRP, the Public Staff or any other intervenor may file an alternative IRP or report of its own as to any utility, or may file an evaluation of or comments on the IRPs filed by the utilities, or both. Additionally, within 60 days after the filing of such reports or initial comments (collectively comments) the parties may file reply comments.

On December 29, 2020, the Public Staff filed a motion requesting that the filing dates for initial comments and reply comments be extended to February 26, 2021, and April 27, 2021, respectively. In summary, the Public staff stated that it needs additional time due to the press of other business, that it notified the other parties to the docket regarding its request, and that none of the other parties objected to the proposed extensions.

Based on the record and the motion of the Public Staff, the Presiding Commissioner finds good cause to extend the date for parties to file initial comments to February 26, 2021, and to extend the date for parties to file reply comments to April 27, 2021.
