BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

DOCKET NO. E-2, SUB 1206

In the Matter of)	
Application of Duke Energy Progress, LLC)	DUKE ENERGY PROGRESS,
for Approval of Demand-Side Management)	LLC’S MOTION FOR
and Energy Efficiency Cost Recovery)	EXTENSION OF TIME TO FILE
Rider Pursuant to N.C. Gen. Stat. § 62-)	PROPOSED ORDERS
133.9 and Commission Rule 8-69)	
)	

NOW COMES Duke Energy Progress, LLC (“DEP” or the “Company”), pursuant to Rule R1-7 of the Rules and Regulations of the North Carolina Utilities Commission (“Commission”) and moves the Commission for a seven-day extension of time through and including November 14, 2019 for all parties to file briefs and proposed orders as provided for in the Commission’s October 28, 2019 *Order Granting Motion for Extension of Time to File Briefs and Proposed Orders*. In support of the foregoing, the Company shows the Commission the following:

1. On June 11, 2019, the Company filed its Application for Approval of Demand-Side Management and Energy Efficiency (“DSM/EE”) Cost Recovery Rider.
2. On June 24, 2019, the Commission issued an *Order Scheduling Hearing, Requiring Filing of Testimony, Establishing Discovery Guidelines, and Requiring Public Notice* in this proceeding (“Scheduling Order”).
3. On August 19, 2019, pursuant to the Scheduling Order, the Public Staff filed testimony in this proceeding, as did the North Carolina Justice Center, the North Carolina Housing Coalition and the Southern Alliance for Clean Energy.
4. On August 28, 2019, DEP filed rebuttal testimony, and on September 4, 2019, DEP filed supplemental testimony in this proceeding.

5. The hearing was held on September 9, 2019. During the hearing, the Public Staff requested that the evidentiary portion of the hearing be held open so that they could complete review of DEP's DSM/EE program costs.

6. On October 7, 2019, the Public Staff filed results of its review of the costs of the Company's portfolio of DSM/EE programs.

7. On October 8, 2019, the Commission issued an *Order Closing Record and Confirming Filing Date for Briefs and Proposed Orders*, which required that briefs and proposed orders be filed on or before October 28, 2019.

8. On October 23, 2019, the North Carolina Justice Center, the North Carolina Housing Coalition and the Southern Alliance for Clean Energy, along with DEP and the Public Staff, filed a joint motion for an additional 10 days to file briefs and proposed orders.

9. On October 28, 2019, the Commission issued an *Order Granting Motion for Extension of Time to File Briefs and Proposed Orders*, making November 7, 2019 the new filing date.

10. Because the Public Staff did not object to DEP's proposed DSM/EE billing rates and forward-looking DSM/EE rates as presented in the supplemental testimony and exhibits of DEP witness Carolyn T. Miller and the supplemental exhibits of Robert P. Evans, DEP is working diligently to prepare a joint proposed order with the Public Staff. Due to the press of other business, however, DEP requires additional time to complete their joint proposed order. Based on the foregoing, the Company respectfully requests an extension of seven days, up to and including November 14, 2019, for all parties to file briefs and proposed orders in this proceeding.

11. The requested extension will not result in prejudice to any party.

12. Counsel for the Company has contacted counsel for all parties of record regarding this Motion, and no party has advised that it objects.

WHEREFORE, Duke Energy Progress, LLC respectfully requests that the Commission grant this Motion for an extension of time, through and including November 14, 2019, for all parties to file briefs and proposed orders in this proceeding, and such other relief as the Commission deems just and proper.

Respectfully submitted, this the 6th day of November, 2019.
