DOCKET NO. E-100, SUB 90

## BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of	
NC GreenPower	) ORDER APPOINTING NEW
	) MEMBER TO NC GREENPOWER
	) BOARD OF DIRECTORS

BY THE COMMISSION: By letter dated August 17, 2016, NC GreenPower (NCGP) requested that the Commission accept nominations for the remainder of the term for one Director seat for the NCGP Board of Directors (Board seat) whose term is set to expire on September 30, 2018. The Board seat became available due to a change in employment by the board member:

Michael Youth Solar and Wind Technology (renews 9/30/18)

On August 22, 2016, the Commission issued an order allowing individuals to nominate themselves or others to be considered for appointment to the remaining term of the one Board seat through September 16, 2016. In response to this order, the Commission received nominations for two individuals.

On October 12, 2016, the Nominating Committee of NCGP filed a letter with the Commission indicating a list of preferred individuals for the one Board seat.

With respect to the one Board seat, the Commission continues to be impressed with the quality of the nominations received and is confident that any of the nominees would have served NCGP well. After careful consideration of the nominees and their qualifications, the Commission finds good cause to appoint Erik Chris Larson to serve out the remainder of the Solar and Wind Technology seat that expires on September 30, 2018.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the <u>2<sup>nd</sup></u> day of November, 2016.
