Re: Docket No. E-100, Sub 147 – 2017 Smart Grid Technology Plan Updates of Duke Energy Carolina, LLC, Duke Energy Progress, LLC, and Virginia Electric Power Company d/b/a/ Dominion Energy North Carolina.

Dear Chief Clerk:

On October 2, 2017, Duke Energy Carolina, LLC (DEC), and Duke Energy Progress, LLC (DEP), filed updates to its respective Smart Grid Technology Plans (SGTP) as required by Commission Rule R8-60.1. On the same day, Virginia Electric Power Company d/b/a/ Dominion Energy North Carolina (DENC) filed a letter stating that it reviewed its SGTP and determined that no updates to its SGTP were required.

As required by Commission Rule R8-60.1(d)(2), the Public Staff has reviewed each utility's SGTP updates and believes that the updates comply with the requirements of Rule 8-60.1. As the SGTP updates are intended to be informational, the Public Staff does not take a position on any of the smart grid technologies being considered by any individual utility.
