The North Carolina Justice Center, the North Carolina Housing Coalition, and the Southern Alliance for Clean Energy (collectively, “Intervenors”), along with Duke Energy Progress and the Public Staff, respectfully request that the Commission extend by 10 days the time in which to file briefs and proposed orders in the above captioned docket. In support of this motion, Petitioners state as follows:

1. Duke Energy Progress filled its Application for Approval of Demand-Side Management and Energy Efficiency Cost Recovery Rider on June 11, 2019.
2. The Commission held a public hearing on September 9, 2019.
3. On October 8, 2019, the Commission entered an order in this docket closing the evidentiary record and setting the deadline to file briefs and proposed orders for Monday, October 28, 2019.
4. Conflicting obligations have interfered with the completion of post-hearing briefs and proposed orders. An extension of time would allow the parties to this Motion sufficient time to complete preparation of proposed orders and post-hearing briefs.

5. Undersigned counsel have conferred with counsel for the other parties in this docket and no party has objected to an extension of time.

WHEREFORE, Intervenors, Duke Energy Progress, and the Public Staff jointly respectfully request that the Commission extend the deadline for the filing of briefs and proposed orders by 10 days, from October 28, 2019, to November 7, 2019.

Respectfully submitted this the 23<sup>rd</sup> day of October, 2019.
