**Supplemental Letter re: 12/18 Request for Informed Consent**

Dear Ms. Campbell:

To supplement the letter I filed in these dockets on December 18, 2020 (“December 18 Letter”), in which I requested the consent of the NCUC, pursuant to RPC 1.11, to represent the interests of CIGFUR II and III in the remand proceedings initiated in the above-referenced dockets, I write with additional information.

As indicated in the December 18 Letter, the Companies (DEC and DEP) do not object to this request. In addition, since the filing of the December 18 Letter, I have had the opportunity to confer with counsel for the following additional parties to one or both of these dockets, all of which have confirmed that they do not object to this request, including: the Public Staff, the Tech Customers, the Commercial Group, the NC League of Municipalities, the Department of Defense and Federal Executive Agencies, and NC WARN.

As of the time of this filing, I am not aware of any party that objects to this request.

I appreciate the Commission’s consideration of this request. If you have any questions or concerns with this filing, I hope you will contact me directly.

Respectfully,

/s/ Christina D. Cress  
Counsel for CIGFUR II/III
