My water bill is higher than my electric and gas bills combined. I am home maybe 2 days a week at most since the pandemic started and my bill has increased by almost 50%. The below increase for sewer is criminal. Water monthly fixed charge increased by \$1.45, from \$19.25 to \$20.70 Sewer monthly fixed charge increased by \$37.32, from \$26.11 to \$63.43. Please consider looking at this charge increase and reducing it as this is putting a lot of people under great distress. Thanks
