Re: **Docket No. EMP-118, Sub 0**
Timbermill Wind, LLC – Supplement to Application for CPCN and
Registration

Dear Clerk Campbell:

On June 14, 2021, an Application for a Certificate of Public Convenience and Necessity for a Merchant Plant and Registration as a New Renewable Energy Facility was filed in the above-referenced docket. At the request of the Public Staff, we make this supplemental filing to confirm that the \$7,093,084 in interconnection network upgrade costs identified in Mr. Rana's prefiled direct testimony are included in the estimated construction costs identified in confidential CPCN Application Addendum 4.

Please let me know if you have any questions.

Sincerely,

/s/ E. Merrick Parrott
