Re: E-100, Sub 177

Honorable Clerk and Commissioners:

On January 12, 2022, the North Carolina Sustainable Energy Association (“NCSEA”) filed *NCSEA’s Supplemental Reply Comments* in the above-referenced docket. After careful review, it has come to the attention of NCSEA’s attorneys that *NCSEA’s Supplemental Reply Comments* includes proofreading errors including, notably, margin notes related to the drafting of the comment set.

The enclosed *NCSEA’s Corrected Supplemental Reply Comments* correct these proofreading errors. *NCSEA’s Corrected Supplemental Reply Comments* do not otherwise alter or change the text of the original supplemental reply comments. NCSEA does not believe any party will be prejudiced by correction of its original supplemental reply comments and will serve copies of this filing to parties of record in this docket.

I apologize for any inconvenience. Thank you for your attention to this matter. If you have any questions, please let me know.

Sincerely,

/s/ Benjamin W. Smith
