BY THE CHAIRMAN: On February 1, 2019, in the above-captioned proceedings, the Commission issued an Order Modifying and Approving the Green Source Advantage (GSA) Program established pursuant to N.C.G.S. § 62-159.2. Pursuant to that Order, Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (together, Duke) were required to make a compliance filing consisting of revised rider leaflets, GSA Service Agreements, GSA Program power purchase agreements (PPAs), and any other documents that Duke proposes to use in the administration of the GSA Program. In addition, the Commission allowed Duke to include in that filing a narrative explanation of the revisions made to the GSA Program to aid the Commission and the parties to this proceeding in determining whether the revised program complies with the requirements of this Order and to identify any additional issues that arise in the required restructuring of the Program

On March 18, 2019, Duke made its required compliance filing.

On March 27, 2019, the North Carolina Sustainable Energy Association (NCSEA) filed a motion for extension of time requesting that the deadlines established pursuant to the Commission's February 1 Order for the filing of comments responsive to Duke's compliance filing be extended by six days and that the deadline for Duke to reply to those responsive comments be similarly extended. In support of its motion, NCSEA states that it is working diligently on its comments, but the press of other business has resulted in a need for additional time to finalize its filing. In addition, NCSEA states that it contacted counsel for all parties of record and none have expressed objection to the granting of the requested extensions of time.

The Chairman finds good cause to grant NCSEA's requested extensions of time.

IT IS, THEREFORE, ORDERED that the deadline for the filing of comments allowed by Ordering Paragraph No. 4 of the Commission's February 1, 2019 Order shall be, and is hereby, extended by six days, and the deadline for the filing of reply comments allowed by Ordering Paragraph No. 5 of that Order shall be, and is hereby, similarly extended by six days.

ISSUED BY ORDER OF THE COMMISSION.

This the 28<sup>th</sup> day of March, 2019.
