Dear Ms. Jarvis,

On February 1, 2019, Duke Energy Progress, LLC, filed a compliance tariff, program implementation plan, and related draft forms, to reflect the tariff modifications ordered by the Commission in its January 23, 2019 *Order Modifying Program*. The Public Staff reviewed the filing and believes that the proposed tariff complies with the Commission's order. The Public Staff recommends the Commission approve DEP's proposed Rider MROP and the accompanying implementation plan.

Sincerely,

Electronically submitted
