

The Parties have had preliminary discussions concerning an appropriate procedural schedule for this matter going forward. However, the Parties are currently engaged in commercial negotiations that, if successful, may obviate the need for further proceedings on the Complaint in this matter. Cube Yadkin has agreed to suspend all proceedings before this Commission until June, assuming that Parties are continuing to negotiate in good faith and are making commercially reasonable progress. Therefore, the Parties respectfully submit that it would conserve the resources of the Parties and the Commission to delay issuance of a procedural order for a limited period of time in order to allow negotiations to proceed.

Accordingly, the Parties propose:

1. That the Commission refrain from issuing a procedural order in this matter at this time; and
2. That the parties commit to filing a Joint Report on the status of negotiations by May 1, 2020.

Respectfully submitted this 20th day of March, 2020.
