Carolina Utility Customers Association, Inc. (“Petitioner” or “CUCA”), through its undersigned counsel, moves pursuant to N.C. Gen. Stat. § 62-90 and Commission Rule R1-7 for an extension of time to file notice of appeal and exceptions to the Commission’s April 16, 2021 Order Accepting Stipulations, Granting Partial Rate Increase, and Requiring Customer Notice issued in the above-captioned proceeding. In support thereof, CUCA states the following:

1. Pursuant to G.S. § 62-90(a), any party to a proceeding may appeal from a final order of the Commission within 30 days after the entry of such order, or within such time thereafter as may be fixed by the Commission, not to exceed 30 additional days.

2. The current deadline for filing a Notice of Appeal and exceptions from the Order pursuant to G.S. § 62-90(a) is May 16, 2021. CUCA hereby requests an additional

30 days to complete its review of the Order and, if necessary, develop exceptions to be included in a Notice of Appeal, to be filed no later than June 15, 2021.

3. CUCA reasonably requires more time so that it may fully evaluate the Order, its impact on CUCA's members and their business operations, and its legal options, and therefore requests an additional 30 days from the deadline to file notice of appeal so all parties have adequate time to file notice of appeal and exceptions.

4. Counsel for CUCA has contacted counsel for other parties to this proceeding regarding this motion for extension of time. No party has advised that it objects to this Motion.¹

WHEREFORE, for the reasons set forth, CUCA respectfully requests that the Commission extend the time to file Notice of Appeal and exceptions for all parties to and including June 15, 2021.

Respectfully submitted, this 12th day of May, 2021.
