Facilities – 2020)

BY THE CHAIR: On August 13, 2020, the Commission issued an Order Establishing Biennial Proceeding, Requiring Data, and Scheduling Public Hearing in the above-captioned docket. The order established the date for parties to file initial comments and exhibits related solely to proposed changes in the methodologies used to calculate or determine the avoided costs, as well as the data inputs and assumptions used in applying those methodologies. The Order directed initial comments to be filed on or before Monday, January 11, 2021, reply comments to be filed on or before February 12, 2021, and proposed orders to be filed on or before March 12, 2021.

On December 29, 2020, the Public Staff filed a motion requesting that the filing dates for comments and proposed orders be extended due to the press of other business. The Public Staff requested that the filing date for initial comments be extended to January 25, 2021, the date for reply comments be extended to February 26, 2021, and the deadline for proposed orders be extended to March 26, 2021. The Public Staff stated in its motion that it notified the other parties to the docket regarding its request and none of the other parties objected to the proposed extension.

Based on the record and the motion of the Public Staff, the Chair finds good cause to extend the date for parties to file initial comments to on or before January 25, 2021, to extend the date for parties to file reply comments to on or before February 26, 2021, and the date for parties to file proposed orders to on or before March 26, 2021.
