Re: Edgecombe Solar LLC  
NCUC Docket: EMP-101, Sub 0

Dear Chief Clerk:

On August 20, 2020, the Commission issued an *Order Requiring the Filing of Additional Testimony* ("Order") in the above-referenced docket. The Order required the Public Staff to file testimony and exhibits addressing the supplemental testimony of Edgecombe Solar LLC ("Applicant") on or before Friday, September 4, 2020, and allowed that the Applicant may file reply testimony and exhibits on or before Friday, September 18, 2020. As required, the Public Staff filed its testimony on September 4, 2020. The Applicant has reviewed the Public Staff's testimony and has no reply comments.

The Applicant consents to the four recommended conditions on the CPCN and requests that the Commission issue the CPCN without delay. As stated in its supplemental testimony filed on September 18, 2020, time is of the essence for the receipt of the CPCN.

Thank you for your assistance with this matter. Please let me know if you have any questions.

Sincerely,

/s/ Katherine E. Ross
