Re: Docket No. E-100, Sub 136

Dear Mrs. Mount:

Pursuant to the request of the Renewable Energy Group ("REG") at the hearing held in the above-captioned proceeding on October 30, 2013, Virginia Electric and Power Company d/b/a Dominion North Carolina Power ("DNCP") provided to REG on November 1, 2013 information pertaining to Power Purchase Agreements ("PPAs") that DNCP has entered into with Qualifying Facilities ("QFs") during 2011-2013. REG has subsequently requested that the Company submit this information to the Commission as a late-filed exhibit to be included in the official record for this proceeding. Pursuant to this request, DNCP respectfully requests that the Commission accept the enclosed original and thirty (30) copies of the Response to REG OF Contract Data Request as a late-filed exhibit and include this information in the official record for this proceeding.

Also enclosed is one extra copy to be file-stamped and returned with our courier. Should you have any questions please do not hesitate to contact me. Thank you for your assistance in this matter.

Very truly yours,

Andrea R. Kells
