I oppose Duke Energy's request for rate hikes to clean up their errors. The 3.8% and the 16.7% hike is ridiculous. We on a fixed income cannot afford this robbery by Duke. They make millions in profit and charge 19.50 a month just to be a customer. I request my complaint be filed in record and made public and to the commission. Enough of big Corp. Is enough. I also do not want a smart meter installed and will refuse it. Thank you.
