Transportation Pilot )

BY THE CHAIR: On May 28, 2021, the Commission issued an order requesting that parties file comments and reply comments on the Make Ready Credit (MRC) Program proposed by Duke Energy Carolinas, LLC, and Duke Energy Progress, LLC (collectively Duke). Several parties filed initial comments on July 8, 2021. Reply comments are currently due to be filed on July 22, 2021.

On July 21, 2021, Duke filed a motion requesting that the date for reply comments be extended to August 2, 2021. Duke stated that it has been working diligently to review the initial comments filed by intervenors and Public Staff, and that an extension of time would assist all parties to complete their review and address the issues raised in the initial comments. Duke further stated that no party will be prejudiced by the requested extension of time, that it contacted counsel for all parties of record regarding the requested extension of time, and that no party has objected to the proposed extension.

Based on the foregoing and the record in these dockets, the Chair finds good cause to extend the date for parties to file reply comments on Duke's proposed MRC Program to August 3, 2021.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.
