*Re: Application of Dominion Energy North Carolina for Approval of Demand-Side Management and Energy Efficiency Cost Recovery Rider Programs
Docket No. E-22, Sub 604*

Dear Ms. Dunston:

With this letter, Virginia Electric and Power Company, d/b/a Dominion Energy North Carolina (“DENC” or the “Company”) advises the North Carolina Utilities Commission (“Commission”) that the Company is not filing rebuttal testimony in this proceeding.

On October 26, 2021, the Public Staff filed the testimony of Michael C. Maness and Tommy Williamson describing the Public Staff’s investigation of the Company’s August 10, 2021, request for cost recovery recommending that the Commission approve the Rider C and CE rates as proposed by the Company, subject to any true-ups in future cost recovery proceedings as appropriate. Carolina Utility Customers Association, Inc. (“CUCA”) and Carolina Industrial Group for Fair Utility Rates I (“CIGFUR I”), whose petitions to intervene in this proceeding the Commission granted by order issued August 27, 2021, did not file any testimony.

In light of the Public Staff’s testimony and recommendations, and the fact that CUCA and CIGFUR I did not file testimony, the Company is not filing rebuttal testimony in this proceeding.

Please do not hesitate to contact me should you have any questions. Thank you for your assistance with this matter.
