DOCKET NO. E-7, SUB 1243  
DOCKET NO. E-2, SUB 1262

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of	
Joint Petition of Duke Energy Carolinas, LLC and Duke Energy Progress, LLC for Issuance of Storm Recovery Financing Orders	) DUKE ENERGY CAROLINAS, LLC AND DUKE ENERGY PROGRESS, LLC’S ERRATA TO THE DIRECT TESTIMONY OF JONATHAN BYRD

**ERRATA TO DIRECT TESTIMONY OF JONATHAN BYRD**

**PAGE 9 LINES 7-12 SHOULD READ:      REASON FOR CHANGE:**

The storm recovery charges will be reflected by each Company as a separate line on each customer’s bill, titled “Storm Securitization Charge:” **once Customer Connect is implemented by both Companies.** This line will include both the rate and the total amount charged. In addition, all electric bills will state that, as approved in the Financing Orders, all rights to the Storm Securitization Charge are owned by the relevant SPE and that DEC and DEP are acting as a collection agent or servicer for such SPE. **Prior to the time Customer Connect is implemented by DEP, DEP will utilize the temporary billing compliance procedure outlined in my affidavit filed with the Commission on January 25, 2021.**

As explained in Jonathan L. Byrd’s Affidavit filed on January 25, 2021, after the filing of the Companies’ Joint Petition for Financing Orders, Duke Energy Progress, LLC determined that it would be technologically incapable of performing line item billing in accordance with N.C. Gen. Stat. § 62-172 until its new customer billing system, Customer Connect, is implemented. Accordingly, Duke Energy Progress, LLC has proposed the temporary billing compliance procedure outlined in the Affidavit of Jonathan L. Byrd.

**CERTIFICATE OF SERVICE**

I hereby certify that copies of the foregoing *Errata to the Direct Testimony of Jonathan Byrd* as filed in Docket Nos. E-7, Sub 1243 and E-2, Sub 1262, were served via electronic delivery or mailed, first-class, postage prepaid, upon all parties of record.

This, the 25<sup>th</sup> day of January, 2021.
