NOW COMES North Carolina Electric Membership Corporation ("NCEMC") and GreenCo Solutions, Inc. ("GreenCo"), pursuant to Commission Rule R1-7 and jointly move the North Carolina Utilities Commission ("NCUC" or "Commission") for an extension to time through and including September 19, 2011, to file NCEMC's Annual Report and GreenCo's 2011 REPS Compliance Plan and 2010 Compliance Report. In support of their motion, NCEMC and GreenCo show the Commission as follows:

1. Pursuant to NCUC Rule R8-60(h), NCEMC's 2011 Annual Report is due to be filed with the NCUC by September 1, 2011.
2. Pursuant to NCUC Rules R8-67(b)(1) and (c)(1), GreenCo is to file its 2011 REPS Compliance Plan and 2010 Compliance Report on September 1, 2011.

3. As part of its resource planning process for the 2011 Annual Report, NCEMC will present its 2011 Load Forecast for approval to the NCEMC Board of Directors at its regular scheduled meeting on September 14, 2011.

4. The requested extension of time will enable NCEMC's Annual Report to reflect the impact of its newly-revised and improved load forecast methodology.

5. Because GreenCo's anticipated filings similarly rely, in part, on the load forecasting information provided by NCEMC and thus applicable to the majority of GreenCo's member-cooperatives, GreenCo desires to extend its filing deadline in order that its filings similarly reflect the load forecasting improvements.

6. Counsel for NCEMC and GreenCo has communicated with counsel for the Public Staff and has been authorized to represent that the Public Staff does not oppose this joint motion for extension of time.

7. NCEMC and GreenCo submit that the requested extension of time will not prejudice the NCUC or any party's ability to investigate NCEMC's 2011 Annual Report or GreenCo's 2011 REPS Compliance Plan and 2010 Compliance Report, and is necessary to enable NCEMC and GreenCo to provide complete and accurate reports.

WHEREFORE, NCEMC and GreenCo respectfully request that the Commission grant their motion for extension of time through and including September 19, 2011, to file NCEMC's 2011 Annual Report and GreenCo's 2011 REPS Compliance Plan and 2010 Compliance Report, and grant such further relief as the Commission deems just and proper.

Respectfully submitted this the 24th day of August, 2011.
