Certificate of Public Convenience and Necessity	)	BY NC WARN AND THE
to Construct a 752 Megawatt Natural Gas-Fueled	)	CLIMATE TIMES
Electric Generation Facility in Buncombe County	)	
Near the City of Asheville	)	

NOW COME NC WARN and The Climate Times (“TCT”), by and through the undersigned attorney, with an update to their response to the Commission chair’s inquiry at the hearing on June 17, 2016, on whether the intervening parties have available an expert witness to respond to the testimony of Duke Energy witness, Mr. Landseidel.

The intervening parties have conferred today with their expert, Mr. Bill Powers, and are planning to file an affidavit from him on Monday, June 27. Mr. Powers prepared comments on behalf of the intervening parties during the application review period in this proceeding, and those comments contain his qualifications. Mr. Powers’ affidavit will address the components of Duke Energy’s claims of \$240 million in damages caused by construction delays.

Respectfully submitted, this the 24<sup>th</sup> day of June 2016.
