RE: NCUC Docket No. E-100, Sub 90
NC GreenPower Board Appointment Request

Dear Ms. Morris:

NC GreenPower has been informed that a member of our Board of Directors will be changing employment and will no longer participate on the Board. Per the approved program plan for NC GreenPower, we request that the North Carolina Utilities Commission (NCUC) begins to accept nominations to appoint a new Director for this seat for the duration of the original term (expires September 30, 2017). Listed below is the individual who has resigned as of November 1, 2016 and her respective seat and term:

Tatjana Vujic Consumer/Environmental Advocacy (term expires 09/2017)

In order for individuals to have sufficient time to nominate themselves or others to be considered for appointment, and for the NCUC to make timely new appointments or reappointments, it is our hope that the nomination period will be open through Wednesday, November 30, 2016.

Sincerely,

Victoria McCann
Vice President
