Dear NCUC Commissioners: My name is Robert Nodine and I work at Parkdale. I am a NC resident and an operator of one of the Parkdale plant facilities. Many of my clients are manufacturers who are helping in the fight against COVID-19. Like my clients, my rates have a minimum demand charge and I support the above petition to waive those provisions during this State of Emergency for my clients, for my fellow businesses, and my own business. In these times, we are all hurting and we all need a little help from the utilities to make it through. Thank you and I appreciate your supporting this petition.
