**MOTION FOR EXTENSION**

NOW COMES Orion Renewable Resources LLC (“Orion”), by and through the undersigned counsel, and submits this Motion For Extension, seeking a brief extension of the time to provide witness testimony summaries from June 1 to June 4.

In support of its Motion, Orion shows the Commission as Follows:

1. On April 14, 2021, the Commission issued an *Order Denying Motion to Strike and Reopening Record, Allowing Testimony or Comments on Late-Filed Exhibit, and Scheduling Further Hearing* (“Order”). The Order scheduled a June 3, 2021 hearing for the purpose of receiving expert witness testimony. It also established related procedural deadlines, including a June 1, 2021 deadline for providing summaries of witness testimony to other parties and the Commission.
2. On May 25, 2021, the Commission issued an Order rescheduling the hearing for June 8, 2021.
3. For the conveniences of the witnesses and the parties, Orion requests that the date for providing witness summaries be similarly extended, to June 4, 2021.

4. Orion has consulted with other parties through counsel, and no party objects to this request.

WHEREFORE, Orion requests that the Commission enter an order extending the time for delivery of witness testimony summaries to June 4, 2021.

Respectfully submitted, this the 28th day of May, 2021.
