Kim Campbell, Chief Clerk
North Carolina Utilities Commission
4325 Mail Service Center
Raleigh, NC 27699-4325

Reference: NCUC Docket No. E-100 Sub 90, NC GreenPower Board Appointments

Dear Ms. Campbell,

This letter is to officially nominate myself for re-appointment to the NC GreenPower Board of Directors. My current appointment ends September 30, 2020 and I am interested in continuing to serve. If more detail is needed, please do not hesitate to contact me.

Requested Information:

Ward Lenz, Acting Executive Director, North Carolina Sustainable Energy Association
ward@energync.org ; 919-832-7601 x118

Consumer/Environmental Advocacy seat

Summary Qualifications:

- 26 years working in energy programs, energy efficiency, renewable energy, energy data, and energy resilience.
- Currently Acting Executive Director of the NC Sustainable Energy Association
- Former Energy Division Director in the NC Department of Commerce; 2009-2013
- NC GreenPower Board Member; 2009-2013 and 2017-present
- Cumulative 10 years with Advanced Energy Corporation
- Energy Data Analyst and Program Planner with State Energy Office of Iowa; 1994-2001
- National Renewable Energy Laboratory Energy Executives Graduate; 2014
- Former Chair of the Association of State Energy Research & Technology Transfer Institutions

It has been my pleasure to be affiliated with NC GreenPower since the initial planning meetings. I look forward to the opportunity to continue that affiliation and to further the mission of the organization. Please do not hesitate to contact me with questions or if further detail is needed.

Sincerely,

A handwritten signature in blue ink that reads "Ward Lenz".

Ward Lenz
