BY THE PRESIDING COMMISSIONER: On March 17, 2020, the Commission issued an Order scheduling a public hearing in the above-captioned docket, setting the dates for filing testimony, and addressing other procedural matters. The hearing is scheduled for June 9, 2020, for the purpose of considering the application by Duke Energy Carolinas, LLC (DEC), for approval of its demand-side management and energy efficiency cost recovery rider.

On June 3, 2020, DEC and the Public Staff (collectively Movants) filed a joint motion requesting that DEC witness Carolyn T. Miller and Public Staff witness Michael C. Maness be excused from attending the hearing, and that their prefiled testimony and exhibits be accepted into evidence. Movants stated that all parties to this docket have agreed to waive cross-examination of witnesses Miller and Maness, and have agreed to offer no objection to the introduction of the witnesses' testimony and exhibits into the record.

Based on the foregoing and the record, the Presiding Commissioner finds good cause to excuse DEC witness Carolyn T. Miller and Public Staff witness Michael C. Maness from testifying at the expert witness hearing on June 9, 2020, and to receive their testimony and exhibits into evidence at the hearing.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.
